Handwritten: **Direct Liaison**

OGC HAS REVIEWED.

1. Please establish continuing liaison with the civilian and military Departments and agencies of the government who may be retiring career officials whose experience and service abroad have enabled them to acquire a knowledge of any foreign field of interest to the intelligence agencies of the government.

2. Develop and maintain through such liaison a current list of individuals who can be contacted on a consultant basis for national intelligence requirements.

3. Clear each prospect with the Executive for I&E and the General Counsel to meet security and reimbursement problems.

4. Keep each Assistant Director informed of such individuals and their potentialities so that their services may be obtained and utilized under such circumstances as security and reimbursement requirements will permit.

5. Very senior officials under consideration, such as ambassadors, ministers, and general and flag officers will also be brought to my attention for the information of the Director.
